Beginning July 1, 1988, each home health agency or hospice that is regulated by the state or receives any state or federal funding shall submit a form specified by the department of public safety to the department of public safety and receive the results of a criminal history check and dependent adult abuse record check before any person is employed by the home health agency or hospice. The home health agency or hospice may submit a form specified by the department of human services to the department of human services to request a child abuse history check.

For the purposes of this rule, “employed in or by a home health agency or hospice” shall be defined as any individual who is paid, either by the home health agency, hospice or any other entity (i.e., temporary agency, private duty, Medicare/Medicaid or independent contractor) to provide direct or indirect treatment or services to patients of the home health agency or hospice.
